Further to All Chiefs Memo 20-0017, I am writing to advise you that the Ontario government is launching Stage 1 of [A Framework for Reopening our Province](#), starting on Tuesday, May 19, 2020 at 12:01 a.m. The first stage of reopening will focus on workplaces that are well-positioned to follow public health advice and consider workplace safety measures (see <https://news.ontario.ca/opo/en/2020/05/ontario-announces-additional-workplaces-that-can-reopen>). More information on these changes will be communicated in a separate All Chiefs Memo.

Meanwhile, the government has also amended [O. Reg. 82/20 \(Closure of Places of Non-Essential Business\)](#) under the *Emergency Management and Civil Protection Act* (EMCPA) effective Saturday, May 16, 2020 at 12:01 a.m. such that:

- 1) Golf courses, and outdoor golf driving ranges, marinas, boating clubs and other organizations that maintain docking facilities for members or patrons are able to open their places of business subject to the following restrictions:
 - Every person who operates the place of business shall ensure that any clubhouse, restaurant, pool, meeting room, fitness centre or other recreational facility on the premises remains closed to the public unless it is a portion of the building that is used to provide first aid services or contains a washroom or provides access to these areas.

.../2

- Restaurants located on the premises are able to operate only for take-out or delivery service.

The order has also been amended to clarify that it does not prohibit a person who operates a marina, boating club or other organization that maintains docking facilities for members or patrons from operating a grocery or convenience store on the premises or providing fuel supply, watercraft repair and servicing, watercraft docking and watercraft launching services.

- 2) Restrictions with respect to seasonal campgrounds are updated. A person who operates a seasonal campground shall ensure that:
 - Campsites are made available only for trailers and recreational vehicles that, are used by individuals who do not have another residence in Canada and are in need of housing during the emergency period, or are permitted to be there by the terms of a full season contract;
 - Only campsites with electricity, water service and facilities for sewage disposal are provided for use;
 - All recreational facilities in the campground, and all other shared facilities in the campground such as washrooms, are closed; and
 - Other areas of the seasonal campground are closed to the general public and are only opened for the purpose of preparing the seasonal campground for reopening.
- 3) For greater certainty, the order outlines that persons who operate a boarding kennel or stable can allow an animal's owner to visit the animal, assist in the care or feeding of the animal or ride the animal.

I trust you will find this information helpful. I have also attached additional information that is relevant and applicable on an ongoing basis.

Thank you for your continued support.

Sincerely,
