Subject: Concerns regarding policing in Hamilton

Hi Kirsten,

I was directed to the Police Services Board through the mayors office following an e-mail I had sent regarding my concerns with policing in Hamilton. Below you will find the letter I sent, and I hope that issues I have highlighted can be discussed at your upcoming meeting. Please let me know how your board plans to show transparency during this time while discussing sensitive issues that directly impact our community.

My name is Mariel, I am contacting you in light of the recent death of Regis Korchinski-Paquet - Regis's death has been widely publicized, this tragedy is one which could have easily happened in Hamilton, ON - I believe the police force of Hamilton is overfunded and not taking the necessary precautions to provide safety to black folks, and people of colour in our community. For example, the Hamilton Police Force is not equipped with body cameras - a request which has been voted against 4 times.

From what I can understand, and I'm noticing it's extremely difficult to see clear numbers, the Hamilton police force's budget increased by 19 million dollars in 2020 - information provided on the city website - yet they have sighted "cost concerns" when deflecting the implementation of body cameras.

I can't speak for Hamilton but the data that has been collected on police encounters in Toronto reveals that black people in the city of Toronto are 20x times more likely to be killed by police officers than white residents while 70% of individuals who die in encounters with police struggle with mental health issues or substance abuse or both. Hamilton is a 40 minute drive away, racism in ALL Canadian cities is prevalent and real and I am concerned and disheartened that my tax dollars are being used to fund a service that continues to victimize members of this community.

I would like to see a re-evaluation of the budget currently allocated to Hamilton Police Services. I would like to see this large portion of my tax dollars reallocated into social services, mental health programs, health care, education, jobs, and city infrastructure.

I would like to see any budget that is allocated to Hamilton Police Services made transparent and with a focus on harm reduction including the mandatory use of body cameras for all officers. Lastly, I would like to see budget used to invest in the adoption of the 84 recommendations in the 2014 report by Frank Iacobucci, aimed at reducing fatal encounters with people in emotional distress.

Thanks for reading!

Mariel
