EXECUTIVE SUMMARY

The Hamilton Tax Increment Grant Program (HTIGP) application for the construction of the project at 121 / 125 King Street East, Hamilton was submitted by Gore Park Lofts Development Corp. (Tyler Ross and David Horwood). When completed, the project will be comprised of a 6-storey, 40-unit residential condominium with three ground floor commercial units.

Development costs are estimated at \$14,532,262.00 and it is projected that the proposed redevelopment will increase the assessed value of the property from its current value of \$1,507,250.00 to approximately \$10,346,000.00.

This will increase total annual property taxes generated by the property. The municipal share of this property tax increase (municipal tax increment) will be approximately \$91,837.56, of which 100% would be granted to the owner during year one, 80% or approximately \$73,470.05 in year two, 60% or approximately \$55,102.54 in year three, 40% or approximately \$36,735.02 in year four and 20% or approximately \$18,367.51 in year five. The estimated total value of the grant is approximately \$275,512.68. Note that every year the tax increment is based on actual taxes for that year.

Upon completion of the redevelopment and reassessment of the property by the Municipal Property Assessment Corporation (MPAC), staff will report back in an Information Update to Council on the actual redevelopment costs, the reassessment amount determined by MPAC and the grant amount.

Alternatives for Consideration – See Page 6

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: The City will collect full property taxes on the property and, in turn, provide a grant for five years, declining each year after the first year by 20%, based on the increase in the municipal portion of the taxes, post-development completion of 121 / 125 King Street East, Hamilton. Following year one of the grant payment, the City will start to realize the positive results of the Program from a financial perspective. Based on the projected figures, the estimated tax increment over five years totals \$459,187.80, of which the applicant would receive a grant totalling approximately \$275,512.68 and the City retaining taxes totalling approximately \$183,675.12.

Staffing: Applicants and subsequent grant payments under the HTIGP are processed by the Commercial Districts and Small Business Section and Taxation Division. There are no additional staffing requirements.

Legal: Section 28 of the *Planning Act* permits a municipality, in accordance with a Community Improvement Plan, to make loans and grants which would otherwise be prohibited under Section 106(2) of the *Municipal Act*, to registered / assessed owners and tenants of lands and buildings. A Community Improvement Plan can only be adopted and come into effect within a designated Community Improvement Project Area. Changes to a Community Improvement Plan or Community Improvement Project Area require formal amendments as dictated by the *Planning Act*.

The applicant will be required to execute a Grant Agreement prior to the grant being advanced. The Grant Agreement will be developed in consultation with Legal Services.

As construction projects move forward, it is sometimes necessary to amend previously approved Grant Agreements and any ancillary documentation. Therefore, staff recommends that the General Manager of Planning and Economic Development be authorized to amend Grant Agreements and any ancillary documentation, provided that the terms and conditions of the HTIGP are maintained.

HISTORICAL BACKGROUND

City Council, at its meeting held August 22, 2001, approved an amendment to the Downtown and Community Renewal Community Improvement Plan which introduced the HTIGP. Since that time, a number of Program refinements have been approved by

City Council, including expanding the Program to Community Downtowns, Business Improvement Areas, the Mount Hope / Airport Gateway, the corridors of Barton Street and Kenilworth Avenue as identified in the Downtown and Community Renewal Community Improvement Project Area and most recently, to properties designated under Part IV or V of the *Ontario Heritage Act*. The terms of the Program offer a five-year grant not to exceed the increase in municipal realty taxes as a result of the development. The grant is to be in an amount which does not exceed 100% of the municipal realty tax increase during the first year, 80% in year two, 60% in year three, 40% in year four, and 20% in year five.

The project at 121 / 125 King Street East, Hamilton, is an eligible project under the terms of the HTIGP. The applicant will qualify for the HTIGP grant upon completion of the development project. Development costs are estimated at \$14,532,262.00. The total estimated grant over the five-year period is approximately \$275,512.68.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

Commercial Districts and Small Business staff, in co-operation with staff from the Taxation and Legal Services Divisions, developed an estimated schedule of grant payments under the terms of the Program. The final schedule of grant payments will be contingent upon a new assessment by MPAC following completion of the project. The applicant will be required to sign a Grant Agreement. The Grant Agreement contains provisions for varying the grant payment in each and every year based on MPAC's assessed value. By signing, the applicant will accept the terms and conditions outlined therein prior to any grant payments being made. The Agreement outlines the terms and conditions of the grant payments over the five-year period.

The estimated grant shall be calculated according to the following formulas:

*The actual roll number(s) assessed value(s), tax classification(s) and value partitioning (where applicable) are to be determined by the Municipal Property Assessment Corporation (MPAC).

**2019 tax rates have been used for calculation of the estimated post-development property taxes.

Pre-project Municipal Taxes = Municipal Levy = \$34,902.77

Municipal Tax Increment = \$126,740.33 - \$34,902.77 = \$91,837.56

Payment in Year One = \$91,837.56 x 1.0 = \$91,837.56

**ESTIMATED GRANT PAYMENT SCHEDULE for mixed-use building: 6-storey building, three main floor commercial units, and 40 residential condominium units
(Subject to re-calculation each year and up to the total eligible costs)**

Year	Grant Factor	Tax Increment*	Grant
1	100%	\$91,837.56	\$91,837.56
2	80%	\$91,837.56	\$73,470.05
3	60%	\$91,837.56	\$55,102.54
4	40%	\$91,837.56	\$36,735.02
5	20%	\$91,837.56	\$18,367.51
Total		\$459,187.80	\$275,512.68

*Note that the tax increment is based every year on actual taxes for that year. The figures above are estimates. In other words, for each year a grant payment is paid, the actual taxes for the year of the grant payment will be used in the calculation of the grant payment.
