Hello Kirsten,

I hope this note finds you well in these strange times.

I am a born and bred Hamiltonian ([REDACTED]) and I would like to raise my voice in solidarity of the Black Lives Matter movement and their call to defund the police, redistributing the funds to support our communities, and make us all safer, happier, and healthier.

I look forward to hearing you speak to this matter, and how we can move forward to improve life for all in our community.

Sincerely,

Acknowledgment of Traditional Land

We wish to acknowledge this land on which the University of Toronto operates. For thousands of years it has been the traditional land of the Huron-Wendat, the Seneca and, most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are grateful to have the opportunity to work on this land.
