Subject:

Hi there,

My name is Kate Burtney and I live in Hamilton Ontario in Ancaster. Last week, black organizers released the demands in light of police brutality happening in Canada and in the United States:

A 2018 carding consultation in Hamilton highlighted that Black youth in Hamilton are being carded at their schools, streets, and being kicked out of Hamilton libraries without just cause by Hamilton police and security services.

Even during the ongoing COVID-19 pandemic, police have continued to unjustly target people for existing in public. They have issued expensive fines (upwards of \$800) to houseless people, many of whom cannot afford to pay them. Tickets have been issued under the guise of enforcing social distancing, but have only served to further entrench poverty and target those who cannot access housing.

The violent act of state and municipal oppression must end. It is time for the institutions that have oversight over the residents to ask why we spend \$171 million on policing but only \$158 million on social services. The breakdown of the services budget is \$81 million on Transit, \$25 million on Healthy and Safe communities, and \$52 million on other agencies.

The Hamilton Police (on a city approved budget) will spend \$78,806 on ammunition, \$95,000 on surveillance equipment, and tasers in 2020 but only \$28,000 on food for prisoners.

We are spending \$171 million on a police service that terrorizes and murders Black and Indigenous people in public spaces, schools, places of education, and homes. This is unacceptable.

Demands:

We call on the city of Hamilton to defund the Hamilton police.

We call on the city of Hamilton to invest the tax dollars that would have otherwise gone to the police towards social services, against food insecurity, racism and towards more affordable housing.

We call on the City of Hamilton to ensure that HPS are not ticketing houseless people for existing in public.

We demand that the Hamilton Police Services halt all purchases with tax dollars of weapons (guns, rifles, etc) and that there be a moratorium on the hiring of police constables in Hamilton given the documented over-surveillance of houseless people during the pandemic.

We demand that the Hamilton Police Services stop surveilling communities, and that they halt the expenditure

high tech surveillance equipment.

We demand that the Hamilton Police Services stop targeting and criminalizing activists and communities pushing for anti-racism, Yellow Vesters and other forms of white supremacy.

We call on McMaster University (President & Board of Governors) to immediately terminate Glenn De Caire's employment. Caire was forced to resign from Hamilton police after he was caught saying incredibly racist things to other police officers. Caire also has a history of violent policing that targets houseless people as well as Black people.

In line with the demands of the Hamilton Wentworth District School Board Kids Need Help Coalition, we demand that HWDSB immediately remove School Resource Officers (SROs) out of all schools and fully fund a public review of the violence that occurred in their schools.

We demand that the school board refrain from calling the cops on kids.

We demand that the school board collect and release data that documents the disciplinary action against students based on gender.

We demand that the school board implement a community run alternative to disciplinary action based on the principles of restorative justice.

We demand that the provincial police act be rewritten to give municipalities full control over police boards. Currently in Hamilton, the Hamilton Police Services operates as an autonomous body, giving municipalities little to no oversight over what they invest in and the ways that they militarize themselves.

We demand that the province of Ontario work with grassroots groups to divest taxpayer money across the Province: Toronto - \$171M, Ottawa - \$319M, Waterloo - \$182M, Halton Region - \$162M, London \$123M, Niagara - \$154M, Sudbury - \$100M. We demand that the money be used for community policing and invest it towards community initiatives with the goal of moving completely toward transformative justice.

We demand that the Special Investigations Unit, which has a provincial mandate, needs to be 100% composed of Black, racialized and Indigenous people in the city with which the investigation is being conducted.

We demand that the Special Investigations Unit needs to be composed completely of Black, racialized and Indigenous people with no current or former ties to the policing sector.

The SIU must begin collecting and publicly releasing race-based statistics on all fatalistic encounters between police officers and civilians. No more inquiries-- direct action needs to be taken as a result of the investigation into anti-Black violence that occurred in the 90's and again in 2014 with the establishment and subsequent defunding of the Anti-Racism Unit.

In light of COVID-19, We demand that all prisoners being held and who are awaiting trial at the Barton Jail be released immediately, and that the outrageous costs of ankle monitors and other means of surveilling those who are released be waived.
