- (a) That Amended Zoning By-law Amendment Application ZAC-17-008, by Urban Solutions (c/o Sergio Manchia), agent, for Representative Holdings Inc. **7. Application for a City-wide Amendment to the Urban Hamilton Official Plan and an Area-specific Amendment for Lands Located in the Twenty Road West Area (PED20163) (City Wide) (Item 7.4)**

- (a) That Urban Hamilton Official Plan Amendment Application UHOPA-20-011, by Corbett Land Strategies Inc. (Applicant), on behalf of Sullstar Twenty Limited (Starward Homes), Spallacci & Sons Limited, Oxford Road Developments, Lynmount Developments Inc, The Parente Group, Twenty Road Developments Inc. and Liv Communities, for a City-wide amendment to the Urban Hamilton Official Plan to add policies to enable privately-initiated urban boundary expansion applications and an Area-specific amendment to identify lands in the Twenty Road West area as candidate areas for future urban boundary expansion, be DENIED on the following basis:
- (i) The application is proposing to update the City’s Urban Hamilton Official Plan (UHOP) policies to conform to policy directions and forecasts of the Growth Plan 2019, as amended, which is a Provincial Plan conformity exercise that should be completed by the municipality as part of the Municipal Comprehensive Review (MCR) and not through a privately initiated application;
  - (ii) The application undermines the City’s comprehensive and integrated Growth Related Integrated Development Strategy (GRIDS) 2 / MCR process by:

- (1) Prematurely identifying specific lands for future urban expansion to accommodate residential growth to the year 2031; and,
  - (2) Proposing a set of policies, along with the identification of specific studies for the completion of a secondary plan, that would be used to evaluate urban boundary expansion applications for that specific area of the City outside of the larger growth management process;
- (iii) The combination of the City's existing Vacant Residential Land Inventory (VRLI) and intensification opportunities satisfies the land supply requirements of the Provincial Policy Statement (PPS). The City's VRLI identifies a total unit supply of approximately 31,900 units (year end 2019) and there is an additional immediate intensification unit supply of at least 30,000 units based on preliminary MCR estimates, which satisfies the 15 year PPS land supply requirement. There is no need to bring additional lands into the urban boundary prior to the completion of the MCR that will provide for a full and comprehensive review of options to accommodate growth;
- (iv) There are land use, servicing and transportation issues, amongst other matters that are more appropriately assessed and evaluated as part of a comprehensive update to City's infrastructure master plans, that must be considered and evaluated prior to identifying the lands in the Twenty Road West area as a candidate future urban growth area;
- (v) The application is proposing to amend UHOP policies that are the subject of appeals to the UHOP currently before the Local Planning Appeal Tribunal (LPAT) for which no decision has been rendered. It is premature to amend these policies in advance of a decision from the LPAT which could result in changes to the section under consideration.
- (b) That all eligible lands including Twenty Road West lands be part of the consideration of future growth options (residential or employment) as part of GRIDS 2 / MCR; and,
- (c) That the public submissions received regarding this matter did not affect the decision.

8. **Addition and Extension to Temporary Use By-law to Zoning By-law No. 05-200 – Outdoor Commercial Patios Temporary Use By-law to Zoning By-law No. 05-200 for temporary tents (CI-20-F(2)) (PED20135(a)) (City Wide) (Item 7.5)**
- (a) That City Initiative-20-F(2) Outdoor Commercial Patios and Temporary Tents for Commercial and Institutional Uses to amend and extend the outdoor commercial patio regulations under Zoning By-law No. 05-200, through a Temporary Use by-law, be received; and
- (i) That in order to permit outdoor commercial patios for an extended time period to expire on October 31, 2021, in a side or rear yard that abuts a residential lot for certain commercial lands and to allow entertainment on outdoor commercial patios within the Downtown area, then approval by Council be given to:
- (1) The extension and addition of the draft Temporary Use By-law, attached as Appendix “A” to Report PED20135(a);
- (2) The draft Temporary Use By-law is consistent with the Provincial Policy Statement (PPS) 2020, conforms to the 2019 A Place to Grow: Growth Plan for the Greater Golden Horseshoe and the Urban Hamilton Official Plan (UHOP).
- (ii) That in order to provide for improved operational flexibility for Outdoor Commercial Patio and Institutional operations, specifically places of worship, hospitals and educational establishments, within certain lands zoned for commercial and institutional uses to erect temporary tents for six consecutive months within the time period to expire on October 31, 2021, then the approval by Council be given to:
- (1) The draft Temporary Use By-law, attached as Appendix “A” to Report PED20135(a);
- (2) The draft Temporary Use By-law is consistent with the Provincial Policy Statement (PPS) 2020, conforms to the 2019 A Place to Grow: Growth Plan for the Greater Golden Horseshoe and the Urban Hamilton Official Plan (UHOP).
- (b) That the public submissions received regarding this matter did not affect the decision.

**9. Outdoor Dining Districts Winter Season (PED20169) (City Wide) (Item 9.1)**

- (a) That the Outdoor Dining Districts program to allow temporary outdoor patios on public lands be extended to October 31, 2021 as follows:
  - (i) that all applicable public health requirements, including any COVID-related public health requirements, as well as all applicable Provincial Orders be followed;
  - (ii) that applications be accepted through the Economic Development Division and that staff ensure, through the SEAT circulation process, that there will be no negative impacts with respect to pedestrian safety, accessibility, emergency services, public transit, private accesses and other issues that are normally addressed through the SEAT review process;
  - (iii) that patios generally not be permitted between November 1, 2020 and April 30, 2021 on-street, except where done as part of a full street closure that does not allow for vehicular access, or where otherwise approved by the Transportation Operations and Maintenance Division of the Public Works Department;
  - (iv) that no application fee be charged and that costs related to any necessary road closure permits or parking charges be waived and/or refunded, utilizing funds from the City's Economic Development Reserve, with all other costs to be borne by the applicants;
  - (v) that any temporary outdoor patios that occupy streets or public parking spaces include written support from the BIA or, if not within a BIA, have at least two-thirds buy-in from all businesses on the affected block(s) through petition;
  - (vi) that the Ward Councillor be notified of each case of any outdoor patio application in advance of any approval or implementation;
  - (vii) that any patio not impede delivery and pick up vehicles or pedestrian access to any business who is not party to the arrangements;
  - (viii) that winter maintenance surrounding patios on public property be undertaken by the applicant and the patio not impede sidewalk maintenance equipment; and
  - (ix) that the City waive any requirement for site plan review and waive enforcement of any zoning provisions related to parking supply, provided the patios are created as temporary uses with no

permanent fixtures and having no alterations that require a Building Permit.

- (b) That the Outdoor Dining Districts program to allow temporary outdoor patios on private property in the private parking areas of commercial plazas and malls, be extended to October 31, 2021 as follows:
  - (i) that any Outdoor Dining Districts follow all applicable public health requirements, including any COVID-related public health requirements, as well as all applicable Provincial Orders;
  - (ii) that the City waive any requirement for site plan review and waive enforcement of any zoning provisions related to parking supply, provided the patios are created as temporary uses with no permanent fixtures and having no alterations that require a Building Permit;
- (c) That the fees for the On-Street Pop-Up Patio Program, which operates from May 1 to October 31 of each year, be waived for the 2021 season, and that any costs be charged to the City's Economic Development Reserve; and
- (d) That the Mayor be requested to correspond with the Premier, the Minister of Municipal Affairs and Housing, the Attorney General and the local MPPs to request that:
  - (i) the Provincial Order respecting municipal authority to pass a Temporary Use By-law with respect to patios be extended; and

- (a) That Urban Hamilton Official Plan Amendment Application UHOPA-20-011, by Corbett Land Strategies Inc. (Applicant), on behalf of Sullstar Twenty Limited (Starward Homes), Spallacci & Sons Limited, Oxford Road Developments, Lynmount Developments Inc, The Parente Group, Twenty Road Developments Inc. and Liv Communities, for a City-wide amendment to the Urban Hamilton Official Plan to add policies to enable privately-initiated urban boundary expansion applications and an Area-specific amendment to identify lands in the Twenty Road West area as candidate areas for future urban boundary expansion, be DENIED on the following basis:
  - (i) The application is proposing to update the City's Urban Hamilton Official Plan (UHOP) policies to conform to policy directions and forecasts of the Growth Plan 2019, as amended, which is a Provincial Plan conformity exercise that should be completed by the municipality as part of the Municipal Comprehensive Review (MCR) and not through a privately initiated application;
  - (ii) The application undermines the City's comprehensive and integrated Growth Related Integrated Development Strategy (GRIDS) 2 / MCR process by:
    - (1) Prematurely identifying specific lands for future urban expansion to accommodate residential growth to the year 2031; and,

- (2) Proposing a set of policies, along with the identification of specific studies for the completion of a secondary plan, that would be used to evaluate urban boundary expansion applications for that specific area of the City outside of the larger growth management process;
- (iii) The combination of the City's existing Vacant Residential Land Inventory (VRLI) and intensification opportunities satisfies the land supply requirements of the Provincial Policy Statement (PPS). The City's VRLI identifies a total unit supply of approximately 31,900 units (year end 2019) and there is an additional immediate intensification unit supply of at least 30,000 units based on preliminary MCR estimates, which satisfies the 15 year PPS land supply requirement. There is no need to bring additional lands into the urban boundary prior to the completion of the MCR that will provide for a full and comprehensive review of options to accommodate growth;
- (iv) There are land use, servicing and transportation issues, amongst other matters that are more appropriately assessed and evaluated as part of a comprehensive update to City's infrastructure master plans, that must be considered and evaluated prior to identifying the lands in the Twenty Road West area as a candidate future urban growth area;
- (v) The application is proposing to amend UHOP policies that are the subject of appeals to the UHOP currently before the Local Planning Appeal Tribunal (LPAT) for which no decision has been rendered. It is premature to amend these policies in advance of a decision from the LPAT which could result in changes to the section under consideration.

The recommendations in Report PED20163 were **amended** by adding the following sub-section (b):

- (b) ***That all eligible lands including Twenty Road West lands be part of the consideration of future growth options (residential or employment) as part of GRIDS 2 / MCR.***

The recommendations in Report PED20163 were **amended** by adding the following sub-section (c):

- (c) ***That the public submissions received regarding this matter did not affect the decision.***

  - (i) That in order to permit outdoor commercial patios for an extended time period to expire on October 31, 2021, in a side or rear yard that abuts a residential lot for certain commercial lands and to allow entertainment on outdoor commercial patios within the Downtown area, then approval by Council be given to:
    - (1) The extension and addition of the draft Temporary Use By-law, attached as Appendix “A” to Report PED20135(a);
    - (2) The draft Temporary Use By-law is consistent with the Provincial Policy Statement (PPS) 2020, conforms to the 2019 A Place to Grow: Growth Plan for the Greater Golden Horseshoe and the Urban Hamilton Official Plan (UHOP).
  - (ii) That in order to provide for improved operational flexibility for Outdoor Commercial Patio and Institutional operations, specifically places of worship, hospitals and educational establishments, within certain lands zoned for commercial and institutional uses to erect temporary tents for six consecutive months within the time period to expire on October 31, 2021, then the approval by Council be given to:
