Re: Application for a City-wide Amendment to the Urban Hamilton Official Plan and an Area-specific Amendment for Lands Located in the Twenty Road West Area (PED20163) (City-Wide), Planning Committee Item 7.4, October 6th, 2020.

Dear Chair and Members of the Planning Committee:

As owners of lands along Fletcher Road in Elfrida, we wish to express our concern regarding the subject application. It was established through the GRIDS report and through the AEGD OMB settlement that Elfrida should be the first area to proceed with approvals for development. We therefore request that Committee and Council maintain this priority and that we be kept informed of any action on this file.

Yours truly
