Generally, it would be easier to proceed with reaching out to neighbourhood residents if there was an indication of funding being approved for this initiative. I don't want to put out a request for participation without there being any idea whether I will be able to follow through with the project. I can be flexible with its delivery, especially under COVID-19 conditions, but it hinges on the approval of the application.

The project of a mural will no longer happen in 2020.

As a result of Covid and Provincial Guidelines there is no current plan to book a future date for this project.

The small piece of patio gardens was picked up by HARPS under funding provided by the HCF and Women4Change.

The church was closed due to COVID-19 restrictions from Sunday, March 15, 2020 through to Sunday, September 13, 2020. We missed the spring garden season and remain unable to gather for gardening. We are hoping to be able to purchase a rain barrel next spring and look at other garden improvements at that time.
