Subject: Masonic Hall property

Good day,

I live at Manor Place in Stoney Creek.

I have been approached by Marco who made a claim to be the owner of the masonic hall property. He had informed me that his plans were to build 3 units at 2.5 storeys. At this point he asked me to sign the petition in favor of his plans.

I thought, (at the time that's reasonable so I signed the petition.) (Admittedly without reading the actual petition)

I would formally like to acknowledge that my position is opposed to this plan. I feel I have been misled by Marco and at this point I am confused to what the actual plans are.

Please let me know should you have any questions or concerns. Thank you

Regards,

Ben Barnes
