I am so disappointed in you Fred, I am beyond words. With all the resources at your disposal, how can you possibly not know that people have died while homeless in Hamilton, and often died because they are homeless? Watch this video, and educate yourself out of your deplorable and unforgivable ignorance. Let me introduce you to the Hamilton where my friends, my loved ones, and my neighbours are dying [homeless](#).

I am ashamed to say I trusted you, believed in you and voted for you. I am ashamed of you as a Mayor, and as a human being.
