Subject: Snow Clearing

Hi Folks,

Just wanted to echo my support for Sidewalk clearing on the municipal level.

I am a resident of Ward 3 and business owner in Ward 4.

We are seeing more and more ways our society is acknowledging we are set up with an ableist lense, and that we need to listen to the voices who are neurodiverse, physically disabled, or chronically ill to fully enhance our community for all.

Regulating snow clearing to the municipal level seems like a simple way to further acknowledge that our community is made up of many needs and trickling down the responsibility to individuals isn't accessible.

I fully support a tax increase to ensure sidewalks are cleared by the city,
