Subject: 15 Church St ,Ancaster

Please recognize the importance of the preservation of the historical properties in the Village of Ancaster and reject the proposed demolition of 15 Church St . It is wrong on every level ,from history to safety of the existing neighbourhood . The wound from the loss of Brandon House will never heal., please don't continue to scar our village. Thank for your time.

Sincerely  
Marian Ewen  
Ancaster resident for 60 years
