Dear Hamilton Police Services Board,

Through these unprecedented times, our number one priority remains serving as a strong, national voice and resource for civilian governance of policing in Canada.

As your renewal date approaches, we respectfully ask for your continued support by renewing your membership with us.

Your continued commitment to the Canadian Association of Police Governance enables us to:

- Ensure members have independent access to the information and insights needed to be effective as police governance organizations.
- Advocate for our members by promoting a research and knowledge-based climate and adopting positions to influence public policy through communications with elected officials.
- Spotlight issues and gain visibility for police governance organizations.
- Provide timely communications about issues that impact our members and policing in general.
- Provide resources such as online job postings, an expanded web presence through the membership directory, and digital advertising opportunities.

- Offer our webinars, conference and governance summits at an accessible rate.

We will continue focusing on our mission to work collaboratively and proactively with members and partners to enhance civilian governance of policing in Canada – now and in the future.

Thank you again for your commitment and partnership. Our organization is strong because of you. Together, we will tackle the challenges ahead. We look forward to our continued partnership. If there are additional ways we can support your organization during this time, please don't hesitate to contact a member of our staff.

Sincerely,
Jennifer Malloy
