**Subject:** Proclamation of Provisions of the Conservation Authorities Act

Good morning,

With the amendments to the *Conservation Authorities Act* (“CAA”) in Bill 229, the *Protect, Support and Recover from COVID-19 Act (Budget Measures)*, 2020, now passed by the Legislature, the government has made a series of substantive amendments to the CAA in 2017, 2019 and in 2020, resulting in a number of un-proclaimed provisions in the CAA.

On February 2, 2021, some specific provisions in the CAA were proclaimed to initiate changes to conservation authority governance, for consistency in administration, transparency and financial accountability, as well as increased municipal and provincial oversight of conservation authority operations. These provisions are not tied to any specific regulations, and relate only to provisions from the 2019 and 2020 CAA amendments. Specifically, these include:

- Government requirements (e.g. Non-derogation provision clarifying that nothing in the CAA is intended to affect constitutionally protected Aboriginal and treaty rights);
- Provisions related to conservation authority governance (e.g. changes to the conservation authority municipal membership);
- Minister’s powers (e.g., enabling the Minister to issue a binding directive to a conservation authority following an investigation); and
- Housekeeping amendments.

Please refer to the [CAA](#) on e-Laws for a complete list of the provisions that are now in force.

We are proposing that the remaining un-proclaimed provisions be proclaimed in two further stages over the coming months to align with the roll out of proposed regulations and policy. These include:

- i) Provisions related to natural hazard management, mandatory programs and services, community advisory boards, the agreements and transition period, and fees.
- ii) Provisions related to municipal levies, and standards and requirements for non-mandatory programs and services.

We have received a number of questions about the implications of certain provisions coming into force, and particularly those related to the composition of conservation authority membership. I can assure you that we are moving forward with a smooth transition to the new framework. Please refer to the attached FAQ for critical information on the implementation of these new measures.

My team in the Conservation Authority Office are available to answer any questions that you may have about the provisions that are now in effect as a result of the stage 1 proclamation. Please do not hesitate to contact us at [ca.office@ontario.ca](mailto:ca.office@ontario.ca).

The Ministry of the Environment, Conservation and Parks will be in touch at a future date to notify you of the proclamation of the remaining provisions.

I look forward to continuing to work with you through our upcoming consultations on the new regulatory proposals under the CAA to ensure we put conservation authorities in the best position possible to be able to deliver on their core mandate.

Sincerely,

Keley Katona
