Subject: 804-816 King Street West (UHOPA-19-004 ZAC 19-009)

Hello Members of Planning Committee,

My name is Robert Bernacci and I own the automotive shop at 790 King Street West, two properties down from the subject lands at 804-816 King Street West.

I support the proposal for a 6 storey mixed-use building as it will help to revitalize the corridor with much needed redevelopment especially at the corner of King and Paradise which is currently underutilized with a parking lot and two commercial buildings.

Please support this application that will benefit the Westdale community.

Regards,

Robert Bernacci
