### **Policy Implications and Legislative Requirements – Pre Bill 108**

In accordance with the *Planning Act*, prior to September 3, 2019, an applicant had the right to appeal an Official Plan Amendment application after 210 days (subsection 17 (40)), Zoning By-law Amendment application after 150 days (subsection 34 (11)) and a Plan of Subdivision after 180 days (subsection 51 (34)).

In accordance with subsection 17(40.1) of the *Planning Act*, the City of Hamilton had extended the approval period of Official Plan Amendment applications from 180 days to 270 days for applications received after July 1, 2016 as prescribed in Bill 73 and from 210 to 300 days for applications received after December 12, 2017 as prescribed in Bill 139. It should be noted that either the City or the applicant were able to terminate the 90-day extension period if written notice to the other party was received prior to the expiration of the 180 day or 210 day statutory timeframes.

In addition, Zoning By-law Amendment applications that were submitted together with a required Official Plan Amendment application were also subject to the statutory timeframe of 210 days.

### **Policy Implications and Legislative Requirements – Post Bill 108**

On June 6, 2019, Bill 108 received Royal Assent, which reduced the statutory timeframes for non-decision appeals outlined in the *Planning Act* for Official Plan Amendments, Zoning By-law Amendments and Plans of Subdivision. The changes are applicable to complete applications received after September 3, 2019.

In accordance with the *Planning Act*, an applicant may appeal an Official Plan Amendment application after 120 days (Subsection (40)), a Zoning By-law Amendment application after 90 days (Subsection 34 (11)) and a Plan of Subdivision after 120 days (Subsection 51 (34)). However, Zoning By-law Amendment applications that are submitted together with a required Official Plan Amendment application are also subject to the statutory timeframe of 120 days. The 90-day extension previously prescribed in Bills 73 and 139 is no longer applicable.

### **Information:**

Staff were directed to report back to Planning Committee with a reporting tool that seeks to monitor applications where the applicable statutory timeframes apply. This reporting tool would be used to track the status of all active Official Plan Amendment, Zoning By-law Amendment and Plan of Subdivision Applications.

For the purposes of this Report, the status of active Zoning By-law Amendment, Official Plan Amendment and Plan of Subdivision applications have been divided, relative to the

- 20 active Official Plan Amendment applications;
- 32 active Zoning By-law Amendment applications; and,
- 12 active Plan of Subdivision applications.

**Planning Division Active Files**

Combined to reflect property addresses, there are 72 active development proposals. Nine proposals are 2021 files, while 24 proposals are 2020 files and 39 proposals are pre-2020 files.

Staff are currently working with the AMANDA Implementation Team to add enhancements that will allow for the creation of more detailed reporting. As a result, future tables will include a qualitative analysis of the status of active applications. It is anticipated that these enhancements will be available in 2021 and this information will be incorporated into the monthly report to Council. Furthermore, the long-term goal of the Planning Division is to make this information available on an interactive map accessed through the City of Hamilton website.
