Dear Friends at Hamilton Police Services,

Hamilton Out of the Cold was thrilled to receive your generous contribution of \$500.00. This funding will help us to continue our mission: *to provide hot nutritious meals for those in need – served with dignity and compassion.*

November 1st marked the beginning of our 23rd season of serving those in need in Hamilton. Although we had to make changes to how we served our meals as a result of the pandemic, we remain committed to feeding those in need in our community.

We have already served over 7000 hot meals this season. We could not provide such wonderful sustenance to our guests without your support – thank you.

Sincerely,

Megan Medlock
Executive Assistant
