Adjusting to a Virtual Format

This virtual event delivers the same access to Police Governance knowledge, resources and community we have spent decades building and cultivating only in a broader, more accessible and safer format.

We do know, however, that there can be bumps along the way when it comes to adjusting to a new method of learning. The following video gives an in-depth overview of our virtual event platform - Pheedloop.

If you have specific questions or concerns, please feel free to reach out to us. We are here to help!
