Subject: Second dwelling units

As a concerned citizen and ward 7 constituent, I am strongly encouraging council to heavily incentivize SDUs (second dwelling units) and set active targets to really promote them, increase the max size to 100m<sup>2</sup>, and allow tandem parking.

In addition, laneway houses are separate stand-alone structures, and it would be beneficial for them to be categorized as what they are: "Single Family Homes". (Single family homes). They should not be considered apartments. SFH designation would get us closer to the Ford Government's increased SFH requirements.

Thank you,
