

Operations Update Clean and Green Initiatives

Item 8.3 (f)

Clean and Green Initiatives

- May 11, 2021 is Ontario's official Day of Action on Litter which encourages Ontarians to undertake actions to reduce litter and create awareness of the importance of a clean environment
- Local clean-ups are taking place to allow individuals and households to keep their neighbourhood clean and green while following public health guidelines
- In April 2021, approximately 1,670 volunteers took part in local clean-up activities adhering to strict public health guidelines
