The Planning Act

Application for Minor Variance or for Permission

The undersigned hereby applies to the Committee of Adjustment for the City of Hamilton under Section 45 of the *Planning Act*, R.S.O. 1990, Chapter P.13 for relief, as described in this application, from the Zoning By-law.

Applicant(s)*	David Deboer	[REDACTED]	Phone: [REDACTED] E-mail: [REDACTED]

Note: Unless otherwise requested all communications will be sent to the agent, if any.

3. Names and addresses of any mortgagees, holders of charges or other encumbrances:

Additional sheets can be submitted if there is not sufficient room to answer the following questions. Additional sheets must be clearly labelled

4. Nature and extent of relief applied for:

The proposal provides enough parking according to zoning bylaw definitions, however the building department has a policy defining habitable rooms differently from the bylaw. As a result the building department deems that more parking is required. This application is to proceed without providing additional parking

5. Why it is not possible to comply with the provisions of the By-law?

The proposal does comply with the bylaw. We cannot comply with the department policy as we cannot add parking in the front yard and the backyard would have to be almost all parking lot to provide 3 maneuverable spaces

6. Legal description and Address of subject lands (registered plan number and lot number or other legal description and where applicable, **street and street number**):

Part of Lot 8 Plan 869
1081 Queensdale Avenue East

Is the previous use inventory attached? Yes ☐ No ☒

9. ACKNOWLEDGEMENT CLAUSE
