Introduction

As the acting Investment Consultant, Aon is engaged to prepare, on behalf of the Treasurer of the City of Hamilton (“City”), an investment report, referred to as the Treasurer’s Report (“the report”), relating to the activities of the City of Hamilton Reserve Fund and the Hamilton Future Fund (“the Funds”) during the prior fiscal year. The report will be presented to City Council in the second quarter of every calendar year.

The report is part of a broader governance oversight of the Funds, which includes financial audits, used to evaluate and monitor the various responsibilities that have been delegated by the Treasurer of the City of Hamilton (“City Treasurer”) and City Council. More specifically, the overall objective of the report is to ensure that the Funds are managed in accordance with existing legislation that was in effect in 2020 and the guidelines set out in the Statement of Investment Policies and Procedures for the City of Hamilton Reserve/Revenue Funds and Trust Accounts (“SIP&P”).

The report has been written in accordance with Section 1.11 of the SIP&P and shall contain:

- A statement about the performance of the portfolio of investments of the City during the period covered by the report;
- A listing of the types of securities in which the portfolio invested during the period covered by the report;
- A listing of the securities and their credit ratings held by the portfolio as at the date of the report;
- A description of the estimated proportion of the total investments of a municipality that are invested in its own long-term and short-term securities to the total investment of the municipality and a description of the change, if any, in that estimated proportion since the previous year’s report;
- A record of the date of each transaction in or disposal of its own securities, including a statement of the purchase and sale of each security;
- A statement by the Chief Investments Officer (“CIO”) as to whether or not, in his or her opinion, all investments are consistent with the SIP&P adopted by the City;
- A statement by the treasurer as to whether or not, in his or her opinion, all investments are consistent with the SIP&P adopted by the City¹; and
- Any other information that the council may require or that, in the opinion of the City Treasurer, should be included.

This report addresses only the activities of the City of Hamilton Reserve Fund and the Hamilton Future Fund. The Trust Accounts are not covered by this report.

¹ In the executive summary of the staff report, Treasurer’s Investment Report 2020 Fiscal Year by Aon (FCS21041) (City Wide), to which this report is attached as Appendix “A”, the City treasurer states whether all investments met the eligibility requirements as prescribed by the Ontario Regulation 438/97 (“O. Reg. 438/97”) and were made in accordance with the investment policies and goals adopted by the City of Hamilton’s SIP&P.

As at December 31, 2020 on a combined basis, the Funds were being managed in a manner that is consistent with the minimum quality requirements, maximum quantity restrictions and all other restrictions imposed on the Funds. Securities lending is allowed, and as such, monies were loaned during the year for the purpose of generating revenues for the Funds. In managing the securities lending program, RBC complied with the constraints described in the Securities Lending Letter Agreement dated as of January 6, 2003, as amended. (The most recent amendment dated effective as of March 1, 2019). The ratings were assumed to be the same for all issues of an issuer. Throughout the year, reports are provided by RBC to the CIO on a weekly basis, showing the securities that the City invested in for the Reserve Fund and the Hydro Fund together with each security's market value.

In addition, on monthly basis, RBC provides CIO with compliance reports⁷, indicating whether or not the Funds were consistent with terms, conditions and guidelines stipulated in the SIP&P. Securities that not consistent with the terms, conditions and guidelines stipulated in the SIP&P are reviewed and action is taken to remedy the situation as soon as possible.

Aon has reviewed these compliance reports for 2020 and confirms the compliance reports indicate the Funds were consistent with the terms, condition and guidelines stipulated in the SIP&P at each month end throughout 2020.

⁷ Starting in 2019, the City engaged RBC as an independent third party to provide monthly compliance reports as part of their overall engagement with RBC. These reports assist the City to identify any potential deviations from a compliance perspective. These reports are exclusive of the One Investment Program, however, with inclusion of the One Investment Program the Funds remain in compliance with the terms, conditions and guidelines as stipulated in the SIP&P. The City is working with RBC to incorporate the One Investment Program investments in the monthly compliance reports, which is expected to be implemented in the second half of 2021.
