**Subject:** Don't let Sprwal Take All

I live in a downtown condo and love it. I also love the outdoors. Everytime I walk in our great parks and conservation areas, I say to myself, what if previous councils had agreed to pave them over? Ermosa Karst is so instructive for that, now completely surrounded by ubiquitous single housing developments and unsightly, on their last legs, big box malls. Please stop letting the developers set the agenda. Please move from the 1950s to the 2020s. Greenbelts, whitebelts. Whatever it takes. There is very little time left to us all to create the liveable and sustainable environment.
