Subject: Freeze the Urban Boundary

Please..... think of us, our children and grandchildren!!

"We want to freeze the Urban Boundary and to delay any further land needs planning until after public in-person consultations occur".

Sprawl is very expensive and drives up our property taxes Sprawl eats up irreplaceable prime Agricultural land Sprawl Sucks the life out of Downtown Sprawl contributes to Climate Change and increases greenhouse gas emissions Sprawl makes developers wealthy: not many can afford McMansions

Happy to be a new Hamiltonian,
