Subject: Motion to Delay Expansion of Urban Boundary

I am writing to the Mayor and Councillors of the City of Hamilton because of my great concern regarding the proposed expansion of the current Urban Boundary. Neither recommendation by staff is acceptable as the loss of viable farmland has already been too much. There are many ways to accommodate population growth through multiple family housing on existing properties.

Given the lack of adequate public consultations on this very important planning decision, I support the Motion to Delay, to be discussed on March 29th.

Sincerely,

Lynn M Gates, MSc
