Subject: Request for Delegation: Committee Against Racism

Good Afternoon Pauline,

I am requesting a delegation to speak at the May 25th meeting of the Committee Against Racism to seek input from the Committee as we begin planning the 2022 Municipal Election.

Specifically, I am hoping to discuss the upcoming 2022 Municipal Election and get the Committee's feedback and input on:

- Alternative voting methods
- Poll locations and criteria
- Additional election considerations

Many thanks!

Aine
