Subject: 1400 Baseline Road

I am appalled at the inadequate Public Consultation in regards to a piece of land that **directly impacts me**.

I am vehemently opposed to the City Council pushing this change in land use through on Feb 10th knowing full well my neighbours and I have been kept in the dark.

I demand a public meeting for the community be held so we can voice our issues /concerns.

I have a suggestion for this land, why not the city buy this land for us and make community parks for us, because we do not have any park near us.

P.S. I wish to be sent all future correspondence with respect to 1400 Baseline Road Winona, Ontario.

Sincerely,

Yours sincerely,
Shujaat Siddiqui
