What is the ACPD?

The Advisory Committee for Persons with Disabilities recommends to the City of Hamilton policy, procedure and standards that address the needs and concerns of all disabilities. Our task is to identify barriers in municipal programs and try to prevent new barriers from being created in accordance with the ODA (Ontarians with Disabilities Act) and the AODA (Accessibility for Ontarians with Disabilities Act) in matters of Customer Service, Employment, Transportation, Design of Public Spaces and Information and Communication.

Have a disability related issue?

Any Citizen can raise disability related issues or ask questions of the ACPD. We will decide if the issue is within our mandate as an Advisory Committee of Council and send it to the appropriate working group for discussion and recommendations. The issue is then sent back to the ACPD for approval. The Advisory Committee for Persons with Disabilities reports directly to the General Issues Committee. You can begin the process by filling out a "Request to Speak to a Committee of Council form" available online at hamilton.ca or by forwarding an email to clerk@hamilton.ca
