HISTORICAL BACKGROUND

At the June 5, 2012, Planning Committee and subsequent City Council meeting of June 13, 2012, a motion was approved to establish a sub-committee of City Council to review those school board properties being declared surplus for disposition by a school board and report back to the General Issues Committee (GIC) with recommendations, including a financial strategy for potential acquisitions.

On April 27, 2021, HWDSB provided written notice to the City of its Proposal to Sell Real Property located at 140 Glen Echo Drive, Stoney Creek, in accordance with Ontario Regulation 444/98. The City and other preferred agencies have 90 days to respond to the HWDSB as to whether they have an interest in acquiring the property.

POLICY IMPLICATIONS AND LEGISLATED REQUIREMENTS

The HWDSB, like other school boards in the province, follows a formal established property disposal protocol for surplus Board owned properties that are intended to be sold, as governed by section 194(3) of the *Ontario Education Act* and Ontario Regulation 444/98. Under this protocol, the HWDSB circulates notice of the proposed property sale to preferred agents including the City (as per Ontario Regulation 444/98).

City Council adopted principles (Portfolio Management Strategy, 2004) for property acquisition states *“Property will be acquired in support of an approved program only. A budget item must be approved for the program, including the costs of the real property and operational impact, before action is taken to acquire property.”*

In keeping with general municipal protocol related to potential surplus school sites, the School Board Properties Sub-Committee is to establish and recommend direction with respect to all surplus school sites that may come available.

RELEVANT CONSULTATION

Real Estate staff circulated a memorandum to all City departments and relevant stakeholders concerning the HWDSB's proposal to sell its property at 140 Glen Echo Drive, Stoney Creek, in order to elicit their comments or interest in acquisition of the property. There was no program interest expressed to support an acquisition of this property.

The area Councillor was engaged and didn't express any community interest in the acquisition of this property at this time.

On May 25, 2021, the PMC considered the outcome of the internal circulation and does not support the acquisition of the Subject Property, due to there being no departmental interest or any approved program to support the acquisition.

ANALYSIS AND RATIONALE FOR RECOMMENDATION

The Subject Property being offered for sale is an approximately 2.66-acre parcel of land, improved with a school building having a building area of approximately 29,891ft², being previously known as "Glen Echo Elementary School". The Subject Property is located adjacent to the Red Hill Valley Parkway and just north of Rainbow Drive and Glen Echo Drive, adjacent to Glen Echo Park.

Pursuant to the City Council adopted principles (Portfolio Management Strategy, 2004) for property acquisition, property shall only be acquired to support an approved program. The approved program must have an approved budget item that includes the costs of the real property and its operational impact. Given the results of the consultation noted in the Relevant Consultation section of this report, there is no approved program to support the acquisition and operation of the Subject Property and thus no justification to acquire the Subject Property.

City divisions have provided valuable information respecting guidelines for the future use of the site, the relevant comments are summarized in Appendix "B" and staff will share these comments with the HWDSB.
