EXECUTIVE SUMMARY

The Hamilton Tax Increment Grant Program (HTIGP) Application for the construction of the project at 155-161 Wellington Street North, Hamilton was submitted by JRAD Investments Inc. (John Ribson), owner of the property. The property is comprised of two (2) buildings. The portion of the property known as 155 Wellington Street North, Hamilton is a vacant two-family dwelling within a street townhouse. The residential units will be completely renovated. The portion of the property known as 161 Wellington Street North, Hamilton is a vacant two-storey building with ground floor commercial and lodging houses for eight (8) lodgers. When complete, 161 Wellington Street North, Hamilton will consist of newly renovated ground floor commercial and five (5) residential units.

Development costs are estimated at \$1,500,000 and it is projected that the proposed redevelopment will increase the assessed value of the property from its pre-redevelopment value of \$877,054 to approximately \$1,477,000.

This will increase total annual property taxes generated by the property. The municipal share of this property tax increase (municipal tax increment) will be approximately \$20,091.47, of which 100% would be granted to the owner during year one, 80% or approximately \$16,073.18 in year two, 60% or approximately \$12,054.88 in year three, 40% or approximately \$8,036.59 in year four and 20% or approximately \$4,081.29 in year five. The estimated total value of the grant is approximately \$60,274.41. Note that every year the tax increment is based on actual taxes for that year.

Alternatives for Consideration – See Page 6

FINANCIAL – STAFFING – LEGAL IMPLICATIONS

Financial: The City will collect full property taxes on the property and, in turn, provide a grant for five (5) years, declining each year after the first year by 20%, based on the increase in the municipal portion of the taxes, post-development completion of 155-161 Wellington Street North, Hamilton. Following year one of the grant payment, the City will start to realize the positive results of the Program from a financial perspective. Based on the projected figures, the estimated tax increment over five (5) years totals \$100,457.35, of which the Applicant would receive a grant totalling approximately \$60,274.41 and the City retaining taxes totalling approximately \$40,182.94.

Staffing: Applicants and subsequent grant payments under the HTIGP are processed by the Commercial Districts and Small Business Section and

Taxation Section, Corporate Services Department. There are no additional staffing requirements.

Legal: Section 28 of the *Planning Act* permits a municipality, in accordance with a Community Improvement Plan, to make loans and grants which would otherwise be prohibited under Section 106(2) of the *Municipal Act*, to registered/assessed owners and tenants of lands and buildings. A Community Improvement Plan can only be adopted and come into effect within a designated Community Improvement Project Area. Changes to a Community Improvement Plan or Community Improvement Project Area require formal amendments as dictated by the *Planning Act*.

The Applicant will be required to execute a Grant Agreement prior to the grant being advanced. The Grant Agreement will be developed in consultation with the Legal Services Division.

As construction projects move forward, it is sometimes necessary to amend previously approved Grant Agreements and any ancillary documentation. Therefore, staff recommends that the General Manager of Planning and Economic Development be authorized to amend Grant Agreements and any ancillary documentation, provided that the terms and conditions of the HTIGP are maintained.

HISTORICAL BACKGROUND

City Council, at its meeting held August 22, 2001, approved an amendment to the Downtown and Community Renewal Community Improvement Plan which introduced the HTIGP. Since that time, a number of Program refinements have been approved by City Council, including expanding the Program to Community Downtowns, Business Improvement Areas, the Mount Hope/Airport Gateway, the corridors of Barton Street, Hamilton and Kenilworth Avenue, Hamilton as identified in the Downtown and Community Renewal Community Improvement Project Area and most recently, to properties designated under Part IV or V of the *Ontario Heritage Act*. The terms of the Program offer a five (5) year grant not to exceed the increase in municipal realty taxes as a result of the development. The grant is to be in an amount which does not exceed 100% of the municipal realty tax increase during the first year, 80% in year two, 60% in year three, 40% in year four, and 20% in year five.

The project at 155-161 Wellington Street North, Hamilton, is an eligible project under the terms of the HTIGP. The Applicant will qualify for the HTIGP grant upon completion of the development project. Development costs are estimated at \$1,500,000. The total estimated grant over the five (5) year period is approximately \$60,274.41.
