Virtual Webex Meeting

1. The agenda was received with one addition, Scooter, and wheelchair emergency plan.
2. There were no notes to be received from May.
3. The calendar, James presented the draft outline. There were different designs for each month, it was decided that the dark green background with a light purple ACPD logo would be the right choice. The picture will be on the left, the calendar on the right and the City of Hamilton and the ACPD logo will go at the bottom with a quote. James has done great work on this project and the committee thanked him for all his work and time.
4. Citylab project, it was proposed that the members look at the proposal and see if any changes should be made before sending it to ACPD. To be brought back to next meeting.
5. TWG roundtable, Paula will divide up the list provided by Shahan and members will send out the invites. Paula will keep a list of those contacted and their responses.
6. Scooter and wheelchair breakdown, James will provide two names to contact to see if they are interested in being part of this project for repairs. A proposal will then be sent to ATS and DARTS for their input.
7. The meeting was adjourned at 4:40.
