Hi Stephanie / Clerk's office:

I'd like to speak to the Sole Voting Member of the Hamilton Farmers' Market on Monday September 13 at 11AM. I think it's technically a special GIC but I'm not sure if I should choose that committee as the drop-down on the request to speak to council form, or "other"?

Or as an alternative here's all the information I would have submitted on the form:

Name:  
Eric Miller

Name of organization:  
(none)

Contact number:

Email:

Mailing address:

Reason(s) for delegation request:  
I would like to inform the sole shareholder about challenges and opportunities, from my perspective as a market shopper and former director of the board.

Requesting funds? no

Submitting a formal presentation? no

Thanks,  
- Eric
