**Subject:** Sewage overflow to the Ancaster Creek

Dear Councillors and Mayor,

Paywall free from the Spec: <https://outline.com/AsaCjA>

This very disturbing piece in today's Spectator is getting a lot of attention. It's pretty telling that even the homeowner involved is dubious of the plan to pump sewage into the creek and on into Cootes Paradise. Rainfall events as mentioned will become regular occurrences as climate change progresses. The article mentions the decision must be ratified by today. Please vote against this ludicrous plan and focus on repairing our existing infrastructure rather than further polluting Cootes Paradise.

Thank you  
Nancy Hurst
