

# CITY OF HAMILTON

## MOTION

Public Works Committee: November 1, 2021

**MOVED BY COUNCILLOR J. FARR.....**

**SECONDED BY COUNCILLOR .....**

### **Public Information Portal to Track Environmental Issues on City of Hamilton Projects**

WHEREAS, there is growing public interest to better track environmental issues which include public remediation projects conducted by the City of Hamilton,

WHEREAS, especially in older parts of the City and particularly north of Cannon Street, the historical industrial and light industrial uses, in many cases, have long since been built upon in eras where environmental standards were not as robust, and,

WHEREAS, of late, Council has made great strides in reporting regularly on environmental information on locally owned assets such as Chedoke Creek and Storm Water Overflow;

**THEREFORE, BE IT RESOLVED:**

That the appropriate staff from Public Works be requested to report back on the feasibility of a regularly updated one-stop easy access public information portal that would track environmental issues on City of Hamilton projects, including the need for remediation, clean-up, or ground-water diversion infrastructure.
