ABOUT ME:

I was born, raised, educated & kept roots in Hamilton.

I grew up on the 'mountain' and I attended Peace Memorial (K to G5), Burkholder (G7&8), Sherwood Secondary (G9-12) & Southmount (G13). My mother was in the Real Estate industry & my father retired from Stelco after 42 years. My Grandmother worked at The Spec until her mandatory retirement at age 65. They all taught me the value of hard work.

I was one of the first cohorts of the HWDSB's Co-operative Education program. My placement was with a major insurance company. So began my path into a lifelong career in the insurance & financial services industry.

During my early adult life, I lived in various parts of The City of Hamilton (Wards 2, 4, 5, 6, 7, and 15)

I have now lived, worked and played in East Hamilton / Stoney Creek most of my adult life. My husband and I have raised two tremendous, independent and caring children.

My semi-retirement began in 2013, when 2 neighbours came to me for help and I began focusing my attention on how municipal government worked in the area of Land-use Planning. Since that time I have asked many questions in all areas of civic affairs with the goal of (a) learning how all local municipal decisions intertwine, (b) helping educate on issues that impact citizens day-to-day lives and (c) attempting to bring stakeholder's voices together for a common good.

VIVIAN (VIV) SAUNDERS

AWARDS/ ACCOMPLISHMENTS:

2020 - Key Negotiator / Community Quarterback

- Successfully negotiated a compromise with an applicant's legal counsel and 2 resident groups for a slightly less intrusive & more climate resilient build, while still providing the same number of housing units on an infill development.

2018 - Key negotiator / Community Quarterback

- Successfully negotiated applicant's agreement for a sun shelter & community space on an infill development proposal. Sadly, wasn't successful in agreement to the request for 4 affordable units within the 151 unit housing development.

1996 - The Leslie W. Dunstall Award for CLU Studies, Ontario

- The Dunstall Award is awarded annually by Advocis > The Financial Advisors Association of Canada to one designee per province who achieves the highest examination marks for all CLU course subjects.

1990's - Financial Management Awards, Canada

- For three years running, part of the Management Team that was awarded top honours by a major insurance company for excellence in exceeding growth targets with fiscal responsibility.

CAREER EXPERIENCE:

My whole career has been in the insurance & financial services industry.

When I was an employee, I first began working in Client Services, Underwriting & Claims and held various clerical, supervisory and management positions training new staff & members of the sales force.

In 1994, I ventured out on my own as an independent. I grew my own business from the ground up. With clients in various parts of the City of Hamilton & other municipalities, I've gained a better understanding & appreciation for local issues, citizens concerns and the impact municipal decisions have on people's quality of life.

WHY ME:

What I Bring to the table

Ties to Most Neighbourhoods in the Community of Ward 5

My home is located < 300 ms from the east boundary line of Ward 5. My office is located < 500 ms from the west boundary line. I have a deep connection to and knowledge of the community. This ward is where I have lived, worked & played most of my adult life.

I Care

I care about housing that is affordable, climate friendly and will meet the needs of citizens. I care about people. I care about building a city that is sustainable. Most importantly, I care enough to act.

Transferable Skills

I have spent 25+ years helping people make affordable, sustainable & attainable decisions - Decisions between needs & wants to manage risks, plan for the future and that are within their financial means

Reflective of the Population at Large

I believe items of local importance deserve an appointee who is representative of the citizens. In reviewing the latest Ward 5 Profile Data:

- There are more females than there are males.
- There are significantly more females age 45 years or older than males; and
- The highest population by Age Group is in the 55 o 59 age bracket.

✓ I am a female Age 57

- A significantly higher % of people are Married and are couples with or without children.
- Compared to Hamilton, Ward 5 has a higher proportion of residents that are separated/divorced or widowed

✓ I have been separated/divorced and am happily married for over 30 years. We have 2 children mid-20s. I've never been widowed however I have helped widowers and widows through the process emotionally, with settling Estates and with financial consulting.

- The highest level of education for the majority (58%) of the citizens under the age of 64, is either a Secondary School diploma or a college, CEGEP or other non-university certificate

✓ The highest formal education I have attained is Grade 13 high school diploma and I would consider my designations to be in the "other non-university certificate" statistical data

- Compared to all of Hamilton, a higher % of people who move to East Hamilton/Stoney Creek plant roots and stay in the area

✓ After a brief stint living in the other Hamilton (Bermuda), we moved back in 1989 & stayed.

- 42% of the population are Canadian or English decent

✓ I am 3rd generation Canadian on my father's side, 2nd generation on my Mother's side, of English extraction. And like 92% of the population, English is the only official language I speak

✓ Like 68% of the population, I commute within Hamilton and like 40%, my career has been in finance, sales & service
