WE, THE UNDERSIGNED, HEREBY NOTIFY the Mayor and City Council of Hamilton of our opposition to proposed Amendments File Numbers UHOPA-21-005, ZAC-21-009 and 25T-202104 which affects Crerar neighborhood in the city of Hamilton, Ontario.

**WE STATE:**

1. That the petitioners are residents of Hamilton, Ontario.
2. We believe that these changes allow the developer to increase the number of dwellings from the original design of the neighborhood from 40 dwellings to an excessive number of 220 dwellings without providing the neighborhood with proper safety, infrastructure, traffic flow, green space. These changes will create disruption and undue hardship for the residents of Crerar Drive. This plan includes the replacement 330 meters of sewer on Crerar Drive between Distin and the new street that exits to Stone Church. The present sewers could handle the original neighborhood plan of 40 units but not the 220 that are now proposed and therefore will need to be replaced if this plan proceeds. There will be machinery, trucks, noise and total disruption of our daily life for an extended period of time.
3. Although there are accommodations during sewer reconstruction for the High School there is no mention of the accommodations to be made for residents that will be extremely impacted by these changes.
4. By the signing of this document, we vehemently oppose the above amendments as stated.
