## MOTION

Council: December 15, 2021

MOVED BY COUNCILLOR T. JACKSON.....

SECONDED BY COUNCILLOR .....

**Amendment to Item 6 of the General Issues Committee Report 20-021, respecting Alternative Budget Reporting Approaches of Operating Impacts from Contributed Assets, which was approved by Council on January 20, 2021**

That Item 6 of the General Issues Committee Report 20-021, respecting Alternative Budget Reporting Approaches of Operating Impacts from Contributed Assets, ***be amended*** by deleting the year “2022” and replacing it with the year “**2023**”, to read as follows:

**6. Alternative Budget Reporting Approaches of Operating Impacts from Contributed Assets (Item 8.1)**

That staff be directed to review and investigate alternative budget reporting approaches of operating impacts, related to future growth-related projects, from contributed assets and report back through the Audit, Finance & Administration Committee with the final report being referred to the ~~2022~~ **2023** Tax Supported Capital Budget process for consideration.
