The undersigned hereby applies to the Committee of Adjustment for the City of Hamilton under Section 45 of the *Planning Act*, R.S.O. 1990, Chapter P.13 for relief, as described in this application, from the Zoning By-law.

Additional sheets can be submitted if there is not sufficient room to answer the following questions. Additional sheets must be clearly labelled

4. Nature and extent of relief applied for:

Applying for the relief of northerly side yard setback of 1.2m instead of the required 3.0m as set by the zone. Please see below in Question #5 for rationale.

☐ Secondary Dwelling Unit ☐ Reconstruction of Existing Dwelling

5. Why it is not possible to comply with the provisions of the By-law?

This should be considered a housekeeping amendment as the notice and decision of 1999 CofA 99:261 only stated the southerly side yard setback relief of 1.2 m instead of the required 3.0m. It is clear on the application that I submitted that I was requesting both the northerly and southerly side yard relief of 1.2m.
