### 11 OTHER INFORMATION

Is there any other information that you think may be useful to the Committee of Adjustment or other agencies in reviewing this application? If so, explain below or attach on a separate page.

The land to be retained was once it's own lot, that merged in 1980 with the land intended to be severed. We are requesting that the lots return to the lot sizes prior to their merge. A building permit was given to the land that is intended to be severed, and construction is complete. It would be valuable to the neighbourhood and to the City of Hamilton to approve this request for severance, as it will allow for increased affordable housing, and the town of Strabane will maintain its historical look, and avoid a vacant lot.

### 12 SKETCH (Use the attached Sketch Sheet as a guide)

12.1 The application shall be accompanied by a sketch showing the following in metric units:

- (a) the boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land;
- (b) the approximate distance between the subject land and the nearest township lot line or landmark such as a bridge or railway crossing;
- (c) the boundaries and dimensions of the subject land, the part that is intended to be severed and the part that is intended to be retained;
- (d) the location of all land previously severed from the parcel originally acquired by the current owner of the subject land;
- (e) the approximate location of all natural and artificial features (for example, buildings, barns, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that,
  - i) are located on the subject land and on land that is adjacent to it, and
  - ii) in the applicant's opinion, may affect the application;
- (f) the current uses of land that is adjacent to the subject land (for example, residential, agricultural or commercial);
- (g) the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way;
- (h) the location and nature of any easement affecting the subject land.
