NOTICE OF PUBLIC HEARING
Minor Variance

You are receiving this notice because you are either:

- Assessed owner of a property located within 60 metres of the subject property
 - Applicant/agent on file, or
 - Person likely to be interested in this application
-

APPLICATION NO.: FL/A-21:445

APPLICANTS: Agent T. Johns Consulting Group c/o K. Gillis
Owner Northern Cardinal Developments Ltd. c/o Agro
Development Corp. Att: A. Roberts

SUBJECT PROPERTY: Municipal address **59 Brian Blvd., Flamborough**

ZONING BY-LAW: Zoning By-law 90-145z, as Amended 00-115z

ZONING: "R1-25" (Urban Residential (Single Detached) Zone

PROPOSAL: To permit the severance of lands in order to create a total of two (2) lots (Part 1 and Part 2) as per Consent Application FL/B-21:118, for single detached dwelling purposes; notwithstanding that;

1. A minimum lot area of 459.0m² shall be permitted for Part 1 instead of the minimum 460.0m² lot area required.
2. A maximum height of 9.5m shall be permitted for both Part 1 & Part 2 instead of the maximum 8.2m height permitted.
3. A maximum lot coverage of 39% shall be permitted for Part 1 and maximum lot coverage of 35% shall be permitted for Part 2 instead of the maximum 30.0% lot coverage permitted.
4. A minimum exterior side yard of 3.0m shall be permitted for Part 2 instead of the minimum 5.0m exterior side yard required.

Notes: This application is to be heard in conjunction with Consent Application FL/B-21:118.

The applicant requested a variance to permit 6.0m to the hypotenuse of the daylight triangle. However, per previous interpretations, the hypotenuse of the daylight triangle is considered part of the exterior side lot line. Therefore, a variance is not required as the minimum exterior side yard to the hypotenuse will be met based on the 6.0m setback proposed.

No elevation plans were provided from which to confirm that the requested height variance is accurate; therefore, further variances may be required.

The applicant shall ensure that the minimum required 50.0% of the front yard shall be maintained as landscaped open space; otherwise, further variances shall be required.

The zoning By-law requires a minimum parking space size of 2.6m x 5.8m. No details were provided from which to determine compliance; therefore, further variance may be required.

The applicant shall ensure that any proposed encroachments i.e. eaves gutters, unenclosed porches etc., shall conform to Section 5.30 of the Flamborough Zoning By-law; otherwise, further variances shall be required.

This application will be heard by the Committee as shown below:
