Note: Unless otherwise requested all communications will be sent to the agent, if any.

3. Names and addresses of any mortgagees, holders of charges or other encumbrances:

Business Development Bank of Canada 1900-25 Main Street West Hamilton, ON L8P 1H1

Additional sheets can be submitted if there is not sufficient room to answer the following questions. Additional sheets must be clearly labelled

4. Nature and extent of relief applied for:

To require no maximum yard abutting the Aeropark Boulevard street line, whereas a maximum of 27 metres is required. To permit the existing hydro box location, whereas a hydro box is not permitted within the required 6.0 metre landscape area, 3.0 metre planting strip, 3.0 metres from the street line, 0.6 metres from a side lot line, and is required to be screened from the street.

Secondary Dwelling Unit Reconstruction of Existing Dwelling

5. Why it is not possible to comply with the provisions of the By-law?

See the Minor Variance Rationale.

6. Legal description and Address of subject lands (registered plan number and lot number or other legal description and where applicable, **street and street number**):

24. The applicant shall attach to each copy of this application a plan showing the dimensions of the subject lands and of all abutting lands and showing the location, size and type of all buildings and structures on the subject and abutting lands, and where required by the Committee of Adjustment such plan shall be signed by an Ontario Land Surveyor.

December 13th, 2021 *Via Email*

ATTN: Jamila Sheffield, Secretary-Treasurer City of Hamilton Committee of Adjustment 71 Main Street West, 5th Floor Hamilton, ON L8P 4Y5

Dear Ms. Sheffield,

RE: 73 Aeropark Boulevard, Hamilton Committee of Adjustment - Minor Variance Application

T. Johns Consulting Group ("T. Johns") was retained by Schilthuis Construction Inc., on behalf of OBB Properties Inc., the landowners of 73 Aeropark Boulevard, Hamilton ("subject lands") to submit the following Minor Variance application on their behalf.

Site Description

73 Aeropark Boulevard is located in North Glanford, legally described as Lot 4, 62M-1229 in the City of Hamilton, Regional Municipality of Hamilton-Wentworth, now the City of Hamilton. The lands are bound by Aeropark Boulevard (local road) to the west and Upper James Street (major arterial) to the east. The subject lands are irregular in shape with an area of 1.18 hectares (2.9 acres). The subject lands have an approximate frontage of 138.5 metres along Aeropark Boulevard and 92.06 metres along Upper James Street.

Planning Status

The *Urban Hamilton Official Plan Volume 1* designates the subject lands "Airport Employment Growth District" which permits office uses. The *Urban Hamilton Official Plan, Volume 2, Airport Employment Growth District Secondary Plan* designates the subject lands "Airport Prestige Business". Office uses are permitted.

The City of Hamilton Zoning By-law No. 05-200 zones the subject lands "M11" (Airport Prestige Business) Zone. The "M11" Zone permits office buildings.

Proposed Variances

The proposed development is on the northern portion of the property, being an area of approximately 0.58ha (1.4 acres). A one (1) storey office building proposed with a gross floor area of 1,196.0 m², that will be supported by fifty-seven (57) parking spaces and one (1) barrier free parking space. To facilitate the proposed development, two (2) Minor Variances are being sought from the City of Hamilton Zoning By-law No. 05-200 Airport Prestige Business (M11) Zone. The first required variance is to permit no maximum yard abutting the Aeropark Boulevard street line, whereas a maximum setback of 27 metres abutting a street line is required. The second required

variance is to permit the existing hydro box as existing, whereas a hydro box is not permitted within the required 6.0 metre landscape area, 3.0 metre planting strip, 3.0 metres from the street line, 0.6 metres from a side lot line, and is required to be screened from the street.

Refer to the Site Plan and Appendix A: Planning Rationale dated December 13th, 2021 for more details.

T. Johns respectfully requests the circulation of this letter along with the enclosed documents in support of Minor Variance.

Please find the enclosed:

- Minor Variance application with signatures;
- Copy of the cheque in the amount of \$3,320.00 to satisfy the application fee;
- Appendix A: Planning Rationale;
- Site Plan;
- Phase I & Phase II Environmental Site Assessment reports; and,
- Risk Evaluation report.

Due to the current COVID-19 pandemic situation, the application and all required documents have been submitted electronically, save and except the cheque that was submitted to the City of Hamilton December 13, 2021.

Please do not hesitate to contact Katelyn Gillis at 905-574-1993 ext. 207 with any questions.

Respectfully submitted,

T. Johns Consulting Group Ltd.

Katelyn Gillis, BA Intermediate Planner

Phase I Environmental Site Assessment

Hamilton Airport Lands Limited Partnership and GreyCan 8 Properties Limited Partnership, Upper James Street and Dickenson Road West Hamilton, Ontario

Panattoni Development Company

manna

October 25, 2018

Reference No. 11188118

Ms. Rebecca Orig Risk Manager Panattoni Development Company, Inc. 7887 E. Belleview Avenue, Suite 475 Denver, Colorado 80111

Dear Ms. Orig:

Re: Phase II Environmental Site Assessment Hamilton Airport Lands Limited Partnership and GreyCan 8 Properties Limited Partnership Upper James Street and Dickenson Road West Hamilton, Ontario (Site or Property)

1. Introduction

GHD was retained by Panattoni Development Company (Panattoni) to complete a Phase II Environmental Site Assessment (ESA) of the above-referenced Site. The Property is currently owned by 1463851 Ontario Inc. and Orlick Industries Ltd. It is GHD's understanding that the Phase II ESA is being completed as part of due diligence to support the potential purchase of the Property.

The Site is approximately 33.2 hectares (82.1 acres) in size and is comprised of eight land parcels (Parcels 1 through 8). The Site is currently vacant with no buildings or structures. The northern portion of the Site had been utilized for rural residential and agricultural purposes since as early as 1934 until the early 1990s; and the southern portion of the Site consisted of agricultural fields and/or vacant land since as early as 1934 until the early 1960s when it was developed as a golf course. The golf course was reportedly operated on the southern portion of the Site between the early 1960s until mid to late 1980s. The Site is located in an area of Hamilton that has been developed for mixed agricultural, residential and industrial/commercial purposes since the early 1960s.

A Site Location Map and a Site Plan are provided on Figure 1 and Figure 2, respectively. Compass directions (north, east, south, and west) described in this report are referenced to "Project North", which is oriented parallel to Upper James Street. Site access is provided from Aeropark Boulevard and Wetenhall Court. The properties that comprise the Site are not currently serviced by any access roads but there ae some rough graded roads on some areas of the Site. At the time of the Phase I Site inspection, GHD observed several stockpiles and mounds across the Site. Site personnel indicated that the stockpiles and mounds consisted of surficial material/top soil sourced on Site that was excavated for the purposes of grading in anticipation of future development of the Site. In general, the exterior surfaces of the Site consist of grass, shrubs and trees.
