Subject: Condo/Senior's Home at Rousseaux & Wilson, Ancaster

To Whom It May Concern,

As residents of Ancaster we are dismayed at the unreasonably short timeline for approval for this project which has such significant impact on the historic Ancaster Centre with respect to traffic & not to mention, the 6-7 storeys above the current limit. Have u consulted with the residents? Why is there such a rush?

We are very disappointed in our local government.
