

## City of Hamilton - Bike Month 2022

The Sustainable Mobility Team has partnered with Cycle Toronto again to help promote Hamilton's Bike Day/Month. Cycle Toronto is in collaboration with graphic designers to create a new logo that will be agreed upon by the Bike Month Advisory Committee (BMAC). These logos will be tailored to our marketing efforts and printed on our t-shirt give-aways. It is unknown whether or not we will host an in-person event yet, but we will adapt either way.
