Hello Alissa,

I'd like to make a formal objection to 8 Renwood Place in Waterdown being added to the Register. Here is a link to photos of the house and another link to the home inspection. I was told by the Inspector that although the house looks updated, it is essentially a tear down because of the cinder block foundation and limited square footage and my architect said that in order for me to move ahead with a remodel it is very important that I not be listed on the register as it would only create problems and delays in my dreams of working with the property. Thankyou :)

Dean
