Reason(s) for delegation request: While we appreciate the increase to the allowable 15% of Residential uses of GFA without a conversion, the requirement to restrict this to specific areas and number of buildings is too prohibitive for future options in an Innovation Park. We will have NBLC/McCallum Sather and MIP speak to these issues. This is also supported by the Land Use Compatibility Study with our Master Plan vision deemed appropriate.

Will you be requesting funds from the City? No
