## Public Access to Modernized HWDSB Facilities (Artificial Turf Fields)

May 9, 2022

curiosity

creativity

possibility

- HWDSB staff were directed to enter into formal discussions with City staff to explore opportunities for a formal partnership for community use of schools and fields in June 2021
- Board staff initiated discussions with City staff in the Fall of 2021 when City staff recommended that HWDSB submit a formal letter outlining the request and the anticipated role of the City for community field access
- Staff agreed that the item was best to be discussed at Liaison Committee

curiosity

creativity

possibility

- Other Boards in the Province to open their facilities for free public access, but those fields and tracks are not typically improved assets
