**Subject:** No Urban Boundary Expansion

Hello,

My name is Akira Ourique, and I live in ward 3. I ask that this email be included in the May 25 agenda.

I support the council's overall proposed changes to the urban and rural official plans. I believe the proposal is realistic, and conforms with provincial planning policy requirements. I strongly support inclusionary zoning to Hamilton's low density urban residential neighbourhoods as proposed. I additionally support the construction of fourplexes in low density neighbourhoods.

**Keeping a firm urban boundary is crucial to climate action and housing justice.** As a resident, taxpayer, student, and environmentalist I want to see development and city resources within my own community– not outside of it. Thank you for your time.

Akira
