Subject: Natural Science

Dear Councillors & Mayor;

CC Local Media

Please find attached other organizations that are following the natural science and ending COVID mandates while 5 Councillors and Mayor choose to follow their own skewed political science by bullying and firing hard working City Employees.

I am not including the four Councillors who missed the vote among the hard working City Employees referenced above.

And still I wait to have a cost disclosed on the termination of these employees.....Council couldn't even provide a date for the costs to be reported back.....just more toxic cultural leadership from this Council enforcing the lack of accountability and transparency at City Hall
