Subject: Resolution for support regarding streamlining governing legislation for Physicians in Ontario

Good afternoon;

Please find below a resolution requesting support for streamlining governing legislation for Physicians in Ontario.

Resolution No. COU-2022-346
Moved by Councillor Ron Anderson
Seconded by Councillor Emily Rowley

Whereas attracting primary health care providers, including doctors, to Brighton and other small communities has been a difficult task;
And Whereas the Provincial Government announced a tuition program to attract nurses to underserved areas of Ontario;
Now be it resolved that the Municipality of Brighton Council requests that the Government of Ontario provide funding and change legislation to allow the College of Physicians & Surgeons of Ontario (CPSO) to implement the changes proposed in their letter to the Minister of Health on August 18, 2022. Which includes:
- Exempting IEP's from the regulatory requirement to have Canadian experience (re-do residency) where all other requirements are met; and
- Implementing Practice Ready Assessment programs similar to those already used in seven (7) other provinces.

And further that the Government of Ontario develop a similar tuition program to attract family doctors to underserved areas of Ontario;
And further that this motion is circulated to the Premier of Ontario, the Minister of Health, MPP David Piccini, and all municipalities across Ontario and the Association of the Municipalities of Ontario (AMO) for endorsement.

Kind Regards,
