Subject: Open Letter to ORFA Members and Industry Employers

Dear Andrea Holland, City of Hamilton

On behalf of Cathy Seguin, President of the Ontario Recreation Facilities Association (ORFA), I would respectfully request consideration for the following "Open Letter" to be added as correspondence to the next Mayor and Council agenda for awareness.

As we are all aware, the COVID-19 pandemic has created unprecedented challenges for all communities and has required a flexible and responsive approach. Over the past year, we have witnessed the vital role that recreation facility professionals, and recreation infrastructure (indoor and outdoor), play in our communities. While following public health guidance, providing even limited access to recreation has allowed our community residents to stay connected, support their physical and mental health, and hopefully encourages them to view a more positive, post-pandemic future.

Thank you for your consideration of this request.

Best wishes,

OPEN Letter to ORFA Members and Industry Employers

Dear Colleagues,

As we are aware, the pandemic has created unprecedented challenges for all communities and has required a flexible and

responsive approach. Over the past year, we have witnessed the vital role that recreation facility professionals, and recreation infrastructure (indoor and outdoor), play in our communities. While following public health guidance, providing even limited access to recreation has allowed our community residents to stay connected, support their physical and mental health, and hopefully encourages them to view a more positive, post-pandemic future.

You, and your team members, are the reason why great community recreation exists. I hope you will join me in recognizing the recreation facility professionals within your organization and thank them for their commitment and resilience to ensuring safe and enjoyable recreational activities and spaces.

As a member of the Ontario Recreation Facilities Association (ORFA), we continue to support you in your operation and management of your community assets.
